Re: Claims for Patent Appn No 10/729,725

Date: July 19, 2004

Dear Commissioner,

I want to add two additional claims to my patent application number 10/729,725 entitled "Capsule Imaging System", filed 12/04 2003. These is claims 18 and 19 which are listed on page 2 of this enclosure. I did not calculate that there are any additional charges, so I have not enclosed a check.

Thank you and Best Regards,

  
John Weirich
